# ELECTION DAY!

**At the Finish Line: Vote for Gaza and Tune in for  
Our Election Night Live!**

Dear CMPAC community,

We are at the finish line! Election Day is here. This is our moment to stand up for Gaza and make our voices heard. Every vote counts, and voting on principle for justice is more important than ever. Head to the polls and cast your vote! Visit **MuslimsVote.ca/vote/** to see our recommended candidates and to help you make an informed decision.

After you vote, help amplify the movement by posting on your social media using the hashtags **#MuslimsVote** and **#VoteGaza** - add the "I'm Voting for Gaza" badge above to your profile. Let's send a clear, united message across Canada: we are voting on principle, and we are voting for Gaza.

**P.S.** Join us tonight for a special **Election Night Live** event hosted by the amazing Ginella Massa and our very own Khaled Al-Qazzaz! Tune in from **9:30 PM to 11:30 PM (Eastern Time)** for a night of Muslim political commentary you won't want to miss. We'll be joined by over 20 special guests from across Canada, offering insights, analysis, and reflections on this historic election.

Catch the live stream on our social media platforms — Facebook, Instagram, and YouTube — at @cmpaconline.

Let's watch, reflect, and celebrate this important moment together!

In solidarity,  
The CMPAC Team
