Dear CMPAC community,

The momentum behind the **MuslimsVote** campaign has been truly inspiring! Over the past few weeks, we've seen our community come together with unprecedented energy, passion, and unity. From coast to coast, **MuslimsVote** has been making headlines, shaping conversations, and reminding candidates that our voices and our votes matter. Thanks to your support, this movement has grown stronger every day, and tomorrow, we have the chance to make an even bigger impact.

As we head into **Election Day tomorrow (April 28th)**, we need volunteers to step up one more time. We have **7 critical key ridings across 5 major cities** where your help could make the difference between victory and defeat. Whether it's knocking on doors or making phone calls, this is the moment where every effort counts. If you've been waiting for the right time to get involved, this is it. Let's give it everything we have and help elect leaders who stand for justice, who stand for Gaza.

If you haven't voted yet, tomorrow is your chance to cast your ballot and say "**I'm Voting for Gaza.**" Use [MuslimsVote.ca/vote/](https://muslimsvote.ca/vote/) to find our candidate recommendations for your riding. After you vote, make a public commitment on your social media by using the hashtags **#VoteGaza #MuslimsVote** and posting the "**I'm Voting for Gaza**" graphic below. Your post could inspire others to make their voice heard too. Let's make sure our voices are loud and clear at the ballot box.

Together, we can deliver a powerful message.
