

**DID YOU
KNOW?**

Under Bill C-9, you could possibly be charged with **two offences** for organizing **one** pro Palestine protest.

HOW?

If you organize a protest and the crowd gets larger than expected, slowing pedestrian traffic.

You can be charged with:

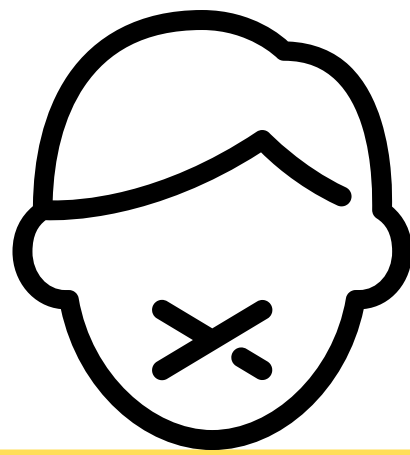

1. Mischief (obstruction with the lawful use of property)
2. A separate stand-alone hate crime offence (under C9)

UNDER

BILL C-9

The creation of a **new stand-alone** hate offence gives authorities the ability to lay **two** charges if they decide that your action was **“motivated by hate”** toward an identifiable group.

WHY IS THIS A CONCERN?

- **Humanitarian** advocacy can be reframed as **criminal**
- Increased **targeting** of Muslim and pro-Palestine community organizers
- **Chilling effect & fear** around public **Palestine solidarity**

**WHAT
SHOULD WE
DO?**

We need to **stand together** to protect our freedom of expression.

Email **your MP** and ask them to vote against Bill C-9.
